In case of Supply of Goods and Services from within India, if the bidder has left the cells for confirmation of HSN/SAC code and/or corresponding rate of GST “blank”, the HSN/SAC code and/or corresponding rate of GST indicated by the Purchaser shall be deemed to be the one confirmed by the Bidder. The subtotal, total price or the total bid price to be identified in Bid Form for this purpose, irrespective of the discrepancy between the amount for the same indicated in words or figures shall be rectified in line with the procedure explained above.

If the Bidder does not accept the correction of errors as per this clause, its bid will be rejected and the amount of Bid Security forfeited.

- 27.3 The comparison shall be on the total price in Price Schedule No. 5 Grand Summary (Total of Schedule Nos. 1 to 4) and considering applicable discount.

(a) Contractual and commercial deviations

In arriving at the evaluated cost, towards deviations whether material or minor identified in the evaluation of First Envelope, the cost of withdrawal indicated by the bidder in Attachment-6 of the First Envelope will be used. If such a price is not given except for material deviation, the Purchaser will make its own assessment of the cost of such a deviation for the purpose of ensuring fair comparison of bids.

In those cases, where the bidder has taken a material deviation but has not indicated the cost of withdrawal, the bid shall be treated as non-responsive and shall not be considered further.

(b) **Performance Guarantees of the Goods**

For the purposes of evaluation, the adjustment specified in the **BDS** will be added to the bid price.
